I understand that if I choose the installment payment plan and fail to pay the second installment - due on May 15th, my child will lose their spot in the summer care program and the first installment is non-refundable. Failure to pay 3rd or 4th installments will result in termination from the summer care program. Any collection agency fees MCA incurs will be my responsibility. I will communicate with the office staff regarding payment issues or program changes. I agree to abide by MCA policies.
